

It's So Easy to Have A \$550 Party

For every order you collect for \$10+, let that person sign his or her name next to a lucky number. She or he gets a number for **EVERY \$10 (\$20=2, \$30= 3) IN PRODUCT PURCHASED.** When all 55 spaces are filled, you'll have your \$550 in sales! I'll pick a lucky number at the party and that person will win a prize!
