

It's So Easy to Have A \$800 Party With Tupperware!!!

For every order you collect for \$20+, let that person sign his or her name next to a lucky number. She/he gets a number for EVERY \$20 (\$40=2, \$60= 3) IN PRODUCT PURCHASED. When all 40 spaces are filled, you'll have your \$800 in sales! I'll pick a lucky number at the party and that person will win a prize!
