

Dating game - keep track of points - highest score wins!

Have guests number their paper 1 - 15.

- 1 50 points if you got up before 7 am this morning
- 2 20 points if you washed dishes before coming here tonight
- 3 10 points if you are wearing sneakers
- 4 20 points if you are wearing boots
- 5 30 points if you are wearing dress shoes
- 6 100 points if you kissed your husband today
- 7 20 points for every load of laundry that you did today
- 8 20 points if you are wearing any nail polish
- 9 10 points if you are wearing earrings
- 10 40 points if you have ever been a Tupperware host
- 11 10 points for every button you are wearing
- 12 20 points if you are wearing a watch
- 13 105 points if you are date your own Tupperware party tonight
- 14 20 points if you are living in the state where you were born
- 15 10 points for every child you have

At the end, have everyone add up their points and tell you how many you have. Since all the answers to the questions have a 0 at the end (except one – see #13), you will have a great idea of who your dating prospects are! (anyone with a 5!!!) Give a gift to the person with the highest score and maybe one to the lowest score too.
