
How
Does it Work?
It's as easy as
1-2-3!!!!

1. Simply say YES to your group or organization participating in a Tupperware Fund Raiser. We agree upon starting date, ending date, delivery date and decide how your organization will be using the funds ...
2. During the specified time frame (usually about 2 weeks) individuals may submit orders & payments for themselves, friends, relatives, acquaintances, neighbors, kids friends parents, etc. The organization receives 40% or the Fund Raiser line sales
3. I collect and place the orders, and will deliver them to YOU ready to go! Your check for money raised will be delivered to you then, too!

Tupperware products are well known and practically sell themselves. They make ideal gifts for any holiday, birthdays and weddings.

How will YOU benefit?

What's Included?

Tupperware has been actively helping groups raise funds for years, and can do the same for your organization! Tupperware offers a generous **40% cash profit** on all product sales.

Tupperware has been around for over 60 years and our products are well known for their quality and practically sell themselves. Tupperware makes an ideal gift for any holiday, birthdays and weddings—when people aren't already buying our products for themselves. Tupperware helps people to save time, space, taste and waste. The product is a great seller in any economy and offers something for everyone!

With a Tupperware fund-raiser, **I do all the work!** I make up the packets, collect them and process the orders...

This fundraiser is a great idea for a planned trip, a specific project or general out-of-pocket expenses. Each individual participating can have the profit from their sales go directly into their account or it can be credited back to the group as a whole. We will personalize the fundraiser to suit your needs.

I hope you will consider a Tupperware Fundraiser. Please feel free to contact me with any additional questions you might have.
