**25% PROFIT**

# My Tupperware Business!

## **Want to increase your income?**

## **Move up to Royalty!**

Recruit 3 people who sell \$350 in their first 30 days. You sell \$500 minimum, you and your recruits sell \$2000—you become a manager and earn royalties on your sales and your team sales!

Recruit 3 more people who sell \$350 in their first 30 days, you sell \$500 minimum and your team sells \$4000 or more and you become a Star Manager with higher Royalties!

Recruit 3 more people, you and your team sell \$8000 each month and the third month you achieve this goal, you earn a \$350 car allowance!

When you think about starting your own business, it can be a little overwhelming. When you choose to open your own Tupperware business, you are choosing a great company with unlimited earning potential!

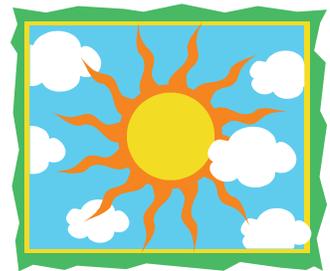

When you sell Tupperware, you have leaders who train you! You begin by purchasing a kit and getting trained in ordering our products. The best way to get started is to have your own Grand Opening, just like any new business. We invite your family, friends and neighbors and introduce them to your new business and Tupperware products with a lifetime guarantee!

You may sell everywhere in the USA, there are no territories. You may have a Tupperware authorized website for \$7.95 each month. You create sales by holding parties, fundraisers, catalog parties and individual orders, internet sales and on-line parties.

You earn an average of \$100 per party. If you want to earn \$1130 each month, hold 2 parties each week. You will sell \$3200 on average, earn \$800 from your party profit and receive a 10% bonus from Tupperware of \$320! Hold more parties, earn more money!

Earn royalties on your income by building a sales team of your own. You are the owner of your business and you determine your pace, growth, hours and income.

- Earn 25% Profit from your sales—parties, internet sales, individual orders and fundraisers
- Earn a 5% Bonus when your sales in a Tupperware month exceed \$1200
- Earn a 10% Bonus when your sales in a Tupperware month exceed \$3200
