

Hello,

I do this one several times per year and my party guests LOVE it!

My Theme: Adults (usually moms) making the following items with their children. This is a great theme to have during the summer months and right before the holidays!

I sell usually 3 sets of MIDGETS to each guest during the party and after you see the recipes below you will see why!

### Tub-Time Bath Crayons

You will Need:

1 cup grated Ivory Soap  
1/4 cup warm water  
Food Coloring  
Plastic Cookie cutters

How to:

Mix water, soap & food coloring together in med. size bowl. Stir the crayon mixture until it begins to stiffen. Remove the mixture from the bowl and knead until it is the consistency of a very thick dough. Spoon Crayon Mixture into plastic cookie cutters or other plastic molds (playdough molds work great too!). Press down firmly. Place the plastic cookie cutters in your freezer for 10 mins or in your refrigerator for 30 mins. When firm, Pop the bath crayons out of the cookie cutters (or other molds) and allow them to air dry overnight or until hard.

Ideas for Molds:

Ice Cube Trays  
Playdough Molds & Cutters  
Tupperware Cookie Cutters  
Plastic Cookie Cutters  
Plastic Guest Soap Molds (buy at local craft store)  
The Plastic divided tray that comes in choc. candy boxes and so forth!

Inexpensive Fun!

### Homemade Play Dough

2 cups Flour  
1 cup salt  
4 tsp. cream of tartar  
2 cups of water  
4 tbsp. oil  
Food Coloring

Put flour, salt, cream of tartar, water and oil into a large pot. Heat over medium heat and stir until dough comes away from the edge of pan and makes a soft ball. Cool on a sheet of wax paper. When cool, add food coloring. Store in Air Tight containers or zipper close bags.

#### Salt Dough Ornament Recipe

##### Ingredients:

2 cups flour  
1 cup salt  
1 cup water

##### Directions:

1. Mix salt and flour in large bowl.
2. Add in half the water, then gradually add the remaining water.
3. Knead until the dough is smooth, this can take up to 10 minutes. If dough is too runny add more flour.
4. For flat dough ornaments roll out the dough on baking paper Or be creative and make your own shapes!

##### Create:

Use cookie cutters, play dough molds, jello molds, clay molds etc to create some designs! Dust dough with flour and begin to add details to the ornaments with a toothpick, popsicle stick, and knife.

##### Don't Forget:

Use a straw to make a hole so you can hang the ornament.

Baking: Time varies based on thickness of ornament.

Temperature: 325 degrees

Time: 1 1/2 hours - 2 hours or until dry

Decorate: Let cool before you begin

Paint with acrylic paints

Glue on beads, buttons, sequins, lace, etc

Preservation: Making them last a long time

Coat with acrylic varnish when everything is dry or use some spray clear sealer.
