

5 Easy Steps to Having a Great Party!!!

1. Over Invite

Invite everyone you know!! You just never know who has been looking for a Tupperware party to go to!! E-mail or mail me your guest list with at least 20 names on it within [3 days](#) of booking your party!!

2. Be Excited!!

Be excited about ALL the **FREE** Tupperware that you will be getting!! An excited hostess always has a great party!!

3. Outside Orders

You want to try to get orders from the people that can not attend if you work outside the home bring catalogs in for your co-workers and maybe send 1 in to work with your husband if appropriate. You will be amazed how these can add up.

4. Datings

If someone cannot attend (imagine that) ask them if they would like to host their own party to help you and themselves out (you get more stuff and they can earn some of their own) !!

5. Follow-up phone calls!

This is the most important step after getting me your guest list! **You need to personally invite everyone on your guest list by phone, e-mail or in person!!** Make follow-up phone calls a few days before your party just to re-invite them and let them know how glad you are that they are coming! Trust me this will make a huge impact on how your party turns out.

Keep the Refreshments SIMPLE!!
