

SANTA CLAUS IS COMING TO TOWN

Instructions: Draw a circle (the body). Draw a smaller circle (the head). Draw his left leg. Draw his right arm. Draw his nose on the head. Draw his boot on the left leg. Draw his right leg. Draw his eyes. Draw the sack beside Santa. Draw his beard. Draw his boot on the right leg. Draw the left arm. Draw a present in the sack. Draw gloves on his hands. Draw a hat on his head. (don't just read it, say things like "Santa's left foot is cold - give him a boot...he needs a present to give - put one in the sack, etc.)

Points:

10 for legs in right place;

15 for nose on the head;

20 for boots on the legs;

25 for eyes on head;

30 for the sack;

35 for gloves on hands;

40 for the present in the sack;

40 for both arms attached;

50 for the beard on his face;

75 for the hat in the proper place.

Total the points and award a gift to the guest with the highest score. For scoring, you can even have them give their paper to the person next to them (that way there is no arguing about points).
