

## The One-Minute Fundraiser Telephone Script:

Hi, I am \_\_\_\_\_ a local top consultant with Tupperware. May I speak to your director or whoever is in charge of fundraising?

Hello, \_\_\_\_\_. I understand that you are in charge of fundraising for your \_\_\_\_\_. Well, may I take just a minute of your time to tell you about how easy and profitable it is having a Tupperware fundraiser?

First of all, I do everything for you... It doesn't take any time for you and your staff members. I put together packets according to how many families are involved. I give your organization two or three weeks to accumulate orders. I want to stress this is not a door-to-door service or sale. It's strictly what mom and dad and favorite friends want to buy in the convenience of their own home. The parents love this because they don't have to go to parties. I come back on a designated day, and pick up all the orders. I order out the Tupperware and package it individually. I deliver your profit check with the Tupperware. This is the most low-pressure fundraiser you will ever have and it is a quick, easy way to make money, as your major fundraiser or in between your major fundraisers. When would you like to start and how many packets do you need?
