

Recruiting Game: Have each guest select a game gift from a bucket or bowl of prizes. Ask them not to get too attached to the particular game gift. As you read the story, they pass their game gift to the person to their Right and their Left whenever they hear the words, Left and Right. When the story ends, each guest keeps the gift in their possession. Your job is to watch customers' response to the story as you read it.

This is the Story of Earl Tupper's Dream

Earl Tupper started his idea with the RIGHT design. He used a paint can that keeps paint fresh and decided he could use the same principle to keep food fresh in the RIGHT type of container. He LEFT Dupont and designed the plastic container. Earl put Tupperware in stores but it LEFT him flat. Then, Brownie Wise came to him with the RIGHT idea. Let's sell it directly in homes through a Party plan.

Well, she was RIGHT! Tupperware grew through this plan and became an extraordinary design for everyday living. It has the RIGHT design, function, and value for today's busy families.

After becoming well established in the U.S., Tupperware LEFT to explore worldwide growth. Now Tupperware is a household name around the world and is sold in over 100 countries.
